Theme— The Alms

The giving of alms is the third activity associated particularly with Lent. From the earliest times when Christians come together to celebrate the Eucharist they were aware of those in their community who had little or nothing. They wished to do something about that. Sometime sit took the form of bringing a gift which was distributed to those in need. Or as time went on, they contributed money to a fund for those in want by doing this they were expressing the truth that we are all part of the same family.

Reflection

Humble Holiness—Blessing

Lord God, make us humble in the face of the homeless person who has a name and a story if we chose to stop and acknowledge it.

Lord God, enlighten us as we see the greater humility shown not by the returning son but by the forgiving Father.

Lord God, help us to be humble when we do not understand your ways but are faithful to a life of learning them. Amen
