To ensure the highest degree of safety for all attending public masses, we respectfully ask that everyone continue to wear Face Masks. Your cooperation is greatly appreciated. Thanking you.

Theme— The Mass

In the Hebrew Scriptures which we sometimes call the Old Testament, the personal name for God is Yahweh. It was considered too holy to be pronounced. It could be written but never spoken. When speaking or reading from the scriptures the speaker would replace it with 'the LORD'. We can take it that this is the practice which Jesus himself would have grown up with too.

Reflection

NEVER REST CONTENT
 Be contented with your life, but not with how you live.
 Never rest content with what you do and what you give.
 Always go on trying to improve on yesterday brightening the path for someone else along the way.
 Be happy and be satisfied with what you now possess but never with yourself.
 Be ever ready to confess your faults and failings.
 Grumble less and do a little more to make yourself a nicer person than you were before.
 Do not be too sure that all is right and well with you.
 Keep on checking up on all you think and say and do.
 Be contented even though you've found no lucky star.
 Be content with what you have, but not with what you are.
