Theme— The Mass

The Mass is composed of two principal parts; word and sacrament. In the first Part, we are invited to listen to God's word, not a passive response but an activity which can transform us. Our scriptures come from a Jewish background. When the Jewish people were celebrating an event of the past it was as if that event were present to them at the moment of celebration. As we celebrate the Lord's supper today that event is made real for us now.

Reflection

GOD USES BROKEN THINGS

God can use a broken thing
His meanings to explain.

The bursting mesh of Peter's net

That could not take the strain

Of the haul miraculous...

And spikenard outpoured

From Mary's broken box

For the anointing of the Lord.

Five small loaves were broken

And a multitude was fed.

Still today He feeds us

With the sacramental bread

Offered at the altar.

And to breaking hearts time brings

The comfort of the knowledge

That God uses broken things.
