Mass Theme - Téama Aitrinn

As we approach the end of the Church's liturgical year, the readings are mostly from those sections of scripture called apocalyptic. This is a very symbolic style of writing. Numbers and colours all have a symbolic meaning. It is frequently full of cosmic images including sun, moon and stars. It is a very vivid style of writing which is geared to evoke a response in those who read it.

Reflection—Ailachnamh

Never be Discouraged

There is really nothing we need know or Even try to understand
 If we refuse to be discouraged and Trust God's guiding hand.
 So take heart and meet each minute
 With faith in God's great love,
 Aware that every day of life is controlled by God above...
 And never dread tomorrow or what the future brings,
 Just pray for strength and courage and trust God in all things.
 And never grow discouraged be patient and just wait
 For "God never comes too early and He never comes too late!"

Helen Steiner Rice

OPENING HYMN— (in the absence of choir)

Hail redeemer, King Devine!

Verse 1. Hail, redeemer, king divine!

Priest and lamb, the throne is thine;

King whose reign shall never cease,

Prince of everlasting peace.

[Chorus] Angels, saints and nations sing:

"Praised be Jesus Christ, our king;

Lord of life, earth, sky and sea,

King of love on Calvary."
