Theme— The Alass

People undergoing counselling and therapy sometimes have a block or memory which is holding them back, often an earlier difficult experience of some kind. Something like that is happening in the Old testament folk tale of the bronze serpent. The power of the serpents to cause harm is taken away once they are confronted straight in the eye, though the symbol of the bronze serpent. We may say the same of Jesus as he faced death for us. Being lifted up for our sake, he looked death in the eye and took away its power over us.

Reflection

A Prayer for Our World

Lord, in this time of tribulation
Hear the prayer we offer
For our suffering world.
May we be united in hope
For the future destiny
Of our world,
That together we can strive
To make it a better place,
Where our human family
Can live in harmony and peace.
Inspire our political leaders
To find just solutions
To the terrors that beset us.
Shine in our darkness like a candle,
So that in spite of all the uncertainties
In our world today we may hold fast
To our trust in you. AMEN.
