Theme— The Mass

The relationship between religious faith and public life is perplexing. In some societies, even today, there is virtually no difference between the two. In other more secular societies, any expression of religious conviction is unacceptable in public. It is true of course that there is an appropriate distinction and even separation to be made, as indeed Jesus does make today in the Gospel. But on at least two issues, there is bound to be some crossover. Religious faith informs our values and in society today policies and laws must be grounded, not in a particular faith certainly, but in values nevertheless.

Reflection

Pope Francis Prayer for protection from Coronavirus

O Mary, you shine continuously on our journey as a sign of salvation and hope.

We entrust ourselves to you, Health of the Sick.

At the foot of the Cross you participated in Jesus' pain, with steadfast faith.

You, Salvation of the Roman People,

know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us:

He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God.

Do not despise our pleas – we who are put to the test – and deliver us from every danger, - O glorious and blessed Virgin.
