### Week 9: Pope Francis on familial love and the love of Christ for us:

*"Our teaching on marriage and the family cannot fail to be inspired and transformed by this message of love and tenderness; otherwise, it becomes nothing more than the defence of a dry and lifeless doctrine. The mystery of the Christian family can be fully understood only in the light of the Father's infinite love revealed in Christ, who gave himself up for our sake and who continues to dwell in our midst."*

Ch 3 P 59. Amoris Laetitia/The Joy of Love by Pope Francis **WMOF**, Dublin; **21<sup>st</sup>—26<sup>th</sup> Aug '18.**

### Reflection

#### What God Has Made

What God has made is meant to be  
For all the world to hear and see  
And Grace each span of land and sea  
With life and love and majesty,  
But we must do - What must be done -  
To keep His treasures, everyone,  
And save for those - who are to come -  
The wonders he has built and done.
