Week 5: Pope Francis on the right to dignified housing for families

"The lack of dignified or affordable housing often leads to the postponement of formal relationships. It should be kept in mind that 'the family has the right to decent housing, fitting for family life and commensurate to the number of the members, in a physical environment that provides the basic services for the life of the family and the community'. Families and homes go together. This makes us see how important it is to insist on the rights of the family and not only those of individuals."
Ch 2 p.44

WMOF, Dublin; 21st—26th Aug '18. Extract from Pope Francis' Apostolic Exhortation *"The Joy of Love"* (Amoris Laetitia)

Reflection

Following in His Footsteps

*When someone does a kindness
it always seems to me
That's the way God up in heaven
would like us all to be.
For when we bring some pleasure
to another human heart
We have followed in His footsteps
and we've had a little part
In serving Him who loves us...
for I am very sure it's true
That in serving those around us
we serve and please Him, too.*
