### Theme— The Alass

In an age when so many are hungry while there is so much surplus food around, fasting can be looked at cynically. It has a special connection with Lent. It has something to recommend it still. Maybe the money spared could be given to someone in need. To experience hunger is to be aware of something which is shared by many today.

### Reflection

#### Prayer for 3rd Sunday of Lent

Loving Father,

So many times I turn away from you and always you welcome me back.

Your mercy and love gives me confidence

Thank you for the invitation to share,

fast and pray so that you can form a new heart within me.

Your powerful compassion for

my weaknesses leads me to ask

for mercy and await with great hope the

Easter joy you share with us.
