Theme—The Mass

The Holy Spirit has been called by the Lord 'the Spirit of truth'. Since Jesus was not able to tell his disciples everything they needed to know the Holy Spirit which has been given to them will do so. The principal truth which the Spirit teaches is about Jesus himself, that he is the real revelation of God the Father and that it is he who speaks the words of God.

Reflection

Heart Gifts

It's not the things that can be bought that are life's richest treasure, it's just the little 'heart gifts' that money cannot measure... A cheerful smile, a friendly word, a sympathetic nod are priceless little treasures from the storehouse of our God... They are the things that cannot be bought with silver or gold, for thoughtfulness and kindness and love are never sold... They are the priceless things in life for which no one can pay, and the giver finds rich recompense in giving them anyway.
