Theme—The Alass

Today, until the end of the Liturgical year, we hear the Gospel of Luke being read. He presents Jesus as one who has a particular concern for the poor, the sick, the weak, the

suffering, those in any kind of need and those on the margins of society.

Reflection

ALL NATURE TELLS US NOTHING EVER REALLY DIES

Nothing really ever dies that is not born anew, the miracles of nature all tell us this is true.

The flowers sleeping peacefully beneath the winter's snow, awaken from their icy grave when spring winds start to blow, and little brooks and singing streams, icebound beneath the snow, begin to babble merrily beneath the sun's warm glow, and all around on every side new life and joy appear to tell us nothing ever dies and we should have no fear, for death is just a detour along life's wending way that leads God's chosen children to a bright and glorious day.
