Week 6—Pope Francis on the care of the elderly:

"The elderly who are vulnerable and dependant are at times unfairly exploited simply for economic advantage. Many families show us that it is possible to approach the last stages of life by emphasising the importance of a person's sense of fulfilment and participation in the Lord's paschal mystery. Euthanasia and assisted suicide are serious threats to families worldwide. The Church, while firmly opposing these practices, feels the need to assist families who take care of their elderly and infirm members" Ch 2 p.48

WMOF, Dublin; 21st—26th Aug '18. Extract from Pope Francis' *"The Joy of Love"* (Amoris Laetitia)

Reflection

LOVE AND MERCY

Let the warmth of your love
Melt the ice of your heart,
So forgive and forget
And make a new start.
For anger and hate
Harms the one who recalls
The sins against him,
And builds up big high walls.

Don't lock yourself up
In a place full of hate.
Forgive and forget
Before it is too late.
Let mercy and love
Play a role in your life,
To free you from discord
And the perils of strife.
Then peace, joy and hope
Will enter your soul,
And loving compassion
Will make your life whole.
