Theme—The Mass

The Fourth Eucharistic Prayer, a new addition to the Roman Missal revision done after the Second Vatican Council, is noticeable for its complexity and also for its simplicity. The section after the Sanctus and before the words of institution or consecration is remarkable similar to the creed in the Son's work of redemption and finishes with a mention of the Spirit as the one who makes holy. All this is done in a spirit of thanksgiving. It is in fact a proclamation of faith. It is worth noting that the creed came into the Mass when the Eucharistic Prayer became silent.

Reflection

FOLLOWING IN HIS FOOTSTEPS

When someone does a kindness it always seems to me, That's the way God up in heaven would like us all to be... For when we bring some pleasure to another human heart, We have followed in His footsteps and we've had a little part In serving Him who loves us... for I am very sure it's true That in serving those around us we serve and please Him, too.
